“This is a revolutionary book. The author incites readers to embark on an audacious revolution to convert the American medical market into the American health care system.”

—T.P. Gariepy, Stonehill College/CHOICE connect

“Michael Fine is one of the true heroes of primary care over several decades.”

—Dr. Doug Henley, CEO and executive vice president of the American Academy of Family Physicians

“As Rhode Island’s director of health, Dr. Fine brought a vision of a humane, local, integrated health care system that focused as much on health as on disease and treatment.”

—U.S. Senator Sheldon Whitehouse

“Michael Fine has given us an extraordinary biopic on health care in America based on the authority of his forty-year career as writer, community organizer, family physician, and public health official.”

—Fitzhugh Mullan, MD
