"A powerful first novel—an epic stretching from the civil wars of Liberia to the streets of Rhode Island. A joy to read!"

—PAUL J. STEKLER, EMMY-WINNING DOCUMENTARY FILMMAKER

ABUNDANCE

A dirt road winding through a dense forest. Several vehicles are driving away from the viewer, kicking up a thick cloud of dust. The road is flanked by tall grasses and dense trees. In the background, there are rolling hills under a hazy sky.
