THE BULL AND OTHER STORIES

"The Bull and Other Stories,
Rhythmic with a jazz cadence,
poignant, timely and timeless, vivid
detail but above all Michael Fine is a
storyteller and a damn good one at
that."

—**Bert Crenca, Founder of AS220**

"Michael Fine... is a master. From first
sentence to last, this collection is a rare
delight."

—**G. Wayne Miller, Staff Writer at
The Providence Journal**

"Michael Fine's world is not fair but
it is full. His characters are not
beautiful but they have dignity. ...To
read about them is to read about us."

—**Christopher F. Koller, President
of the Millbank Memorial Fund**
